Since 1949, Argosy Cruises has been a favorite attraction for millions of people. These fun boat cruises allow you to see and learn about many aspects of Seattle: a tour through Seattle's vibrant and historic harbor, a Locks tour that takes you through the saltwater of Puget Sound and the fresh water of Lake Union via the Hiram M. Chittenden Locks, a tour of Lake Union and Lake Washington which highlights Seattle's historic community of floating homes and spectacular scenic views, and more.

Pilchuck Glass School

Pilchuck was founded in 1971 by glass artist Dale Chihuly and patrons Anne Gould Hauberg and John H. Hauberg. What began as a one-summer glassblowing workshop has grown into the world's most comprehensive center for glass art education. The Pilchuck campus is located 50 miles north of Seattle in Stanwood, Washington. The campus is a serene woodland retreat where artists can focus, create and dream without boundaries.

Underground Tour of Seattle

Bill Speidel's Underground Tour is a leisurely, guided walking tour beneath Seattle's sidewalks and streets. As you roam the subterranean passages that once were the main roadways and first-floor storefronts of old downtown Seattle, the guides regale you with the stories our pioneers didn't want you to hear. It's history with a twist!
